January 2010

Dear Friends and Associates:

Since the early 1980's the Wisconsin Council of Churches' office has prepared an annual directory of Wisconsin faith community administrative offices. The 2010 edition continues this tradition.

A feature at the end of this edition is a short list of national ecumenical offices and publications.

We are pleased to send a copy of this directory to all Wisconsin faith community administrative offices.

Additional copies are available on our website:

[www.wichurches.org](http://www.wichurches.org)

Click on resources.

We hope you find this directory a helpful resource.

Our thanks to all who provided the enclosed information.
