

HEALTH *and Hope*

What Can We Do About Wisconsin's Health Care Crisis?

An Advocacy Network project of the Wisconsin Council of Churches

Then Jesus went about all the cities and villages . . . proclaiming the good news of the kingdom, and curing every disease and every sickness.

-Matthew 9:35

Wisconsin faces a triple crisis in health care:

- ⊕ the skyrocketing cost of insurance,
- ⊕ increasing numbers of uninsured, and
- ⊕ a severe deficit in the state's Medicaid program.

What does it mean for us, as members of Christ's body in Wisconsin, to carry on Jesus' work of bringing hope and healing to all?

Come and learn with us

as we explore this issue using a new study curriculum from the Wisconsin Council of Churches. We will learn about the crisis in health insurance coverage and current proposals for reform.
