

My Creation Care Commitment

Join with the Wisconsin Council of Churches and other persons of faith in Wisconsin in caring for creation in your congregation, home, and community.

Print two copies of this form. Complete one and mail to: Creation Care, Wisconsin Council of Churches, 750 Windsor Street, Suite 301, Sun Prairie, WI 53590, or fax to 608-837-3038. Save one copy as a reminder for yourself.

As a person of faith, I pledge to take the following steps to help reduce society's impact on the earth and care for God's creation:

- Encourage members of my congregation to study the issue of climate change and care of creation;
- Work with others to take steps to reduce our congregation's greenhouse gas emissions and other environmental impacts; and
- Learn about and advocate for fair and just policies that will help reduce society's impact on the environment.

To help you and your congregation meet these vital goals, the Wisconsin Council of Churches will follow up to provide you with resources for education, action, and advocacy.
