

## Concealed Carry Signs for Congregations

At left is an example of a standard sign commercially available (check locally and on the internet for various sources and styles).

To the right is a notice posted by Advent Lutheran Church in Madison prior to the effective date of the legislation.

Note: As of this date the guidelines for what is specifically required for signs has not been published by the state.

**LOVE CASTS OUT FEARS**

**NO GUNS HERE**

*Concealed carry of any weapons not permitted on church property.*

This is a place of peace

שלום

Concealed weapons are allowed inside only after they have been hammered into plowshares.
