People of Faith United for Justice is a day-long gathering to learn, discuss, pray and advocate together for social justice issues of importance to all the people of Wisconsin.

As a new legislature starts work on the next state budget, our representatives need to hear our values, priorities, and concerns, our expectations and aspirations.

Together, we need to work for a budget which reflects our commitment to compassion and justice.

WHY ADVOCACY DAY

As people of faith we are called to join the public conversation about the common good – about the kind of state and nation we can be justifiably proud of, the legacy we want to leave our children and future generations. Past generations of citizens, through government, made the decisions and investments that benefit us today. Now it's our turn.
