

Children are among the most vulnerable people in Wisconsin.

One in every six Wisconsin kids lives in poverty. Racial disparities mean that children of color face an even steeper climb for equity. Working for a future of justice and righteousness means working for the well-being of ALL Wisconsin's children.

End Child Poverty Wisconsin is a campaign to cut child poverty in Wisconsin in half in the next 10 years, led by the WI Council of Churches, WISDOM, Citizen Action of WI, and Kids Forward. With evidence-based efforts that work across political and economic boundaries, similar projects in other countries have had massive success in transforming the conditions that trap people in poverty. Together, we can transform the lives of children and their families!

We're looking for 10,000 people to sign on to this vision. Add your signature, and join the campaign for a whole and healthy future for all of Wisconsin's children at endchildpovertywi.org

If there is among you anyone in need...do not be hard-hearted or tight-fisted toward your needy neighbor. You should rather open your hand, willingly lending enough to meet the need, whatever it may be.
- Deuteronomy 15:7-8

[Jesus] unrolled the scroll [of the prophet Isaiah] and found the place where it was written: "The Spirit of the Lord is upon me, because he has anointed me to bring good news to the poor. He has sent me to proclaim release to the captives and recovery of sight to the blind, to let the oppressed go free, to proclaim the year of the Lord's favor."
- Luke 4:17b-19

It is not righteousness that ye turn your faces Towards east or West; but it is righteousness . . . to spend of your substance, out of love for Him, for your kin, for orphans, for the needy, for the wayfarer, for those who ask, and for the ransom of slaves; to be steadfast in prayer, and practice regular charity; to fulfil the contracts which ye have made
Such are the people of truth, the God-fearing.
