

Review of the Day:

Lord Jesus Christ,
at the close of this day
I come before you.

Center my heart deep within your own;
penetrate me with a growing awareness
of your love and a greater desire to serve you.

Lord Jesus, I thank you for the gifts of this day....

Lord Jesus, I beg you to fulfill in me these desires
that you have placed within me....

Lord Jesus, through this day you have been calling me and inviting me in
these ways....

Lord Jesus, I ask for healing and forgiveness for those times today when
I was less than faithful....

Lord Jesus, please be with me in the coming day
with your gifts of...

Lord Jesus Christ, compassionate heart of God,
as your disciple and in your Spirit, may my life
be ever more given to the glory of God.

Amen.
